

FENG SHUI & CHINESE METAPHYSICS

Master Michael Chan, originally from Guangdong, began studying traditional Feng Shui, Chinese destiny analysis, and metaphysics from a young age. He later continued his studies under a renowned Feng Shui master in Hong Kong, specializing in residential and burial-site Feng Shui and traditional landform analysis.

With over 30 years of experience practicing in the San Francisco Bay Area, Master Chan provides personalized Feng Shui consultations, home layout adjustments, and burial-site selection, earning the trust and appreciation of many clients.

He has been invited to share his expertise on Sing Tao Chinese Radio and has previously appeared on Bay Area radio and television programs, discussing traditional Feng Shui principles, auspicious site selection, and ways to promote harmony and good fortune.
