Youngest Son Of Her Three Children posted:

Denise Moyce (Mom to me) was a wonderful mom. She was a war bride married to my dad for 56 years until my dad's passing. She love having one or two cats as her pets. She loved to cook (French food!) travel the world with Dad as their health would allow, she kept her flowers and vegetables growing into her 80's. Rumor has it that I was " her favorite child) of the three kids I resembled her as my brother & sister looked more like my dad. I was the child always getting hurt, cut, broken / injured fingers and needing her medical attention. Always there for me. I miss her and always will. I think of her often. We shared so many memories good and bad.
