Patricia Gibson

FEB 27, 1947 - JUN 5, 2019

“**M**y Life, My Love, Our Hope for the Future” My love, Patricia (Patrice) Ann Gibson passed away on Wednesday, June 5, 2019, after a long battle with heart disease. She was among the greatest people you could ever come to know and love in this lifetime. “She never met a stranger.” She opened her heart to all. She lit up a room with joy, compassion, and love of life. She left us all with an indelible imprint of who she was and touched all with her brand of inclusion that accepted everyone. No matter who they were, she always tried to support them in their chosen paths forward. She was a beautiful person who will be sorely missed by all. She is survived by Roger, her loving husband, Jennifer Simon her daughter, whom she loved, nourished and protected from the day she was born, and her blended family daughter Kai A. Pineda (Alex), and son Terre Gibson. She also leaves behind her loving sister and best friend, Carol Palle (Bob), four grandchildren, Jasmine, Mikaela, Jamison, Maryn, and a host of cousins, nieces, nephews and friends. She was born in Madison, Wisconsin to Anna Mae and Wayne Lind in 1947 and moved to Phoenix, Arizona before settling in the San Francisco Bay Area in 1965. Patrice came to the Bay Area joining the Convent in Burlingame, California, pursuing a life as a Sister of Mercy. She left before taking her final vows to pursue a career in the private sector in 1974. During her time in the convent, she counseled a prisoner at Alcatraz Federal prison and taught 8th grade students. She used this experience to transition into new opportunities with United Airlines. She began her 37 year career, with United in their Maintenance Division at the San Francisco Airport. She held a number of positions including: Manager of United’s Quality Cores and Maintenance Training Department. She was also responsible for facilitating the introduction and execution of United’s “Change Management” leadership processes before assuming the role of Director of United Flight Training Center in Denver, CO. After retiring from United in 2011, Patrice volunteered as a certified Court Appointed Child Advocate (CASA), in
