I am so, so sorry for your loss. Valerie was like a second mom to me growing up. She always had a smile on her face and laughter in her voice. She was such an amazing and loving woman. She will truly missed. Those we love remain with us For love itself lives on, And cherished memories never fade Because a loved one's gone. Those we love can never be More than a thought apart, Far as long as there is memory, They'll live on in the heart.
