Michael Yang

JUL 18, 1973 - MAY 20, 2018

It is with great sadness that the family of Michael Yang announces his unexpected passing on Sunday, May 20, 2018, at the age of 44 years. Michael was born on July 18, 1973 in Taiwan to George and Sherry Tsai Yang. He grew up in San Francisco.

Known to his friends as “Mikey,” he was a kind-hearted person who always loved to make others laugh. His personality and laugh were both infectious and honest. For family and friends, he always put others before himself, making him one of the most selfless individuals one could know. He was a sports enthusiast and loved everything about sports. His favorite teams included The Golden State Warriors, Dallas Cowboys, New York Yankees, and the San Francisco Giants. Michael was not only a fan of sports, but an active participant. He enjoyed playing team sports especially with his closest friends winning both an MVP and championship trophy. He would take on the role of captain and/or co-captain of teams which demonstrates his leadership quality and high IQ of the game. Michael is survived by his wife, Evalina Cunha; daughter, Isabella Emma Yang; son, Brady Mason Yang; parents George and Sherry Tsai Yang; brother Dennis Yang and sister-in-law Jennifer Inn. Michael was a loving father, husband, son, brother, and friend. He will be greatly missed. Funeral services will be held on Tuesday, May 29, 2018 beginning with a viewing at 11:00 a. m., followed by a memorial service at 11:30 a.m., and concluding with a Celebration of Life Reception.

Mike, you have left us devastated and in grief with your sudden departure. Our band of brothers will never be the same without your presence. We will miss your humor, your laugh and most of all, your kindness and loyalty. We have been friends for 29 years and have created so many memories that I know will eventually bring joy when I recall them in the future. But now, now I'm in mourning. The pain that I feel is still raw. Be rest assured that we will be there for Ev, Bella, and Brady. Now and in the future. We will continue to share memories of you that we all have when we get together, so you will never be forgotten. You are gone but will forever remain in our hearts. I will visit you on your birthday every year. That is my ode to you, Mike, my brother.
