Sorry this is so late as I only recently discovered that Bev had passed. The last time I tried to visit she was sleeping so I didn't want to disturb her so just left a note. I enjoyed my conversations with her and I know she will be sadly missed by your family.

Dorothy,Lynne,Robin,Kate andWillll will always remember you mother and grandmothers graciousness and generosity as a hostess. She always had an extra special sparkle about her to elevate the mood of those around her. Staying with Bev was truly a delight. But most of all I remember how proud she was of all of you and how she came alive with extra light in her eyes when she talked to me about each of you. She was so happy at the Kates Bat Mitzvah. Thoughts and prayers are with you Kathryn.
