Dear John, Smoky, Ron, Teri and Will.....My heart is heavy today as I think of the loss that all of you have suffered. Aunt Inez was such and loving and gracious person and It was my pleasure to know her. Wayne loved her dearly and always spoke of her with love and kindness. I will always remember the time that we were able to spend with her and John when they traveled to Texas for the service of my father-in-law Charles (father to Wayne and Ed). We all were blessed by that visit and we will treasure those memories. I pray the Lord keep you all close and you lean on Him for comfort and peace during this time. Our love is with you all. John, Smoky, Ron, Teri, and Will, We want to express our deepest heartfelt sympathy in the "Homegoing" of Aunt Inez. (She was and will always be remembered by me as, "Aunt Nez", a name George Wayne and I gave her when she lived in our home, for a short while in Ft. Worth, when we were young children.) Our prayer for you; "May our Heavenly Father give you peace and comfort today and in coming days as you reflect on the many wonderful experiences you all shared with her in this life, and may He give you solace and hope in knowing that God has promised, in his Holy Word, that one day all His children will be re-united, to live eternally, in His indescribably beautiful Heaven." (Philippians 4:4-7, I Corinthians 15:51-57) God bless, Cousins in Texas, Ed and Vita Geron

Uncle John, Ron, Terri, Smoke and Will, We are deeply saddened by the loss of our precious Aunt and beloved sister to my sweet Dad Bobby Rose. She had the most kind and generous heart of anyone I have ever known. In a recent note i sent her, I expressed to her how blessed I felt that I had inherited her "DNA". I pledge to honor your memory to strive to be as kind, loving and generous as you have shown us our entire lives. We will never forget how special she was. We love you all so much.
