Georgina Roh

FEB 6, 1931 - JUN 17, 2017

Georgina (Gina) Roh, aged 86, of Hillsborough, California passed away peacefully in her home surrounded by family on Saturday, June 17th, 2017. She was born February 6, 1931 in Klatovy, Czech Republic, to Emilie and Petr Kurz. She was the sister of Bedriska Schramm and Milena Cermakova. Gina attended school, emigrated to the United States and through her years of hard work became the proud, successful business owner and craftsman in her own dental lab located in Santa Clara, California. She worked hard in her lab and in property management spending her most enjoyable times with family, longtime loyal friends, and working in her garden close to nature. Gina is survived by her sons Charles Tuzar of San Mateo, George and his wife Marlene Tuzar of Hillsborough. Gina will also be missed by her grandchildren whom she was most proud of and who brought her happiness each and every day. She is also survived by several nephews whose visits to America to see her brought her great adventures and joy. The family will arrange a celebration of life to be held at a later date. Should friends desire, donations of thanks may be made in her honor to Hospice by the Bay who assisted in her comfort and peaceful passing and to whom the family is incredibly grateful.

I will miss Gina so very much. For the past 34 years she has been a supportive, loving and loyal friend to my entire family and a "mother and sister" to me. She was unique and there will never be another Gina. My life was so enriched and blessed by her presence and I will always be grateful for that. She loved her family above all else, and my thoughts and prayers are with them now. I know one day I will laugh with Gina again!
