I was so sad and shocked to learn of Lauri's passing. I had the opportunity to get to know her when I worked with Castle Group for many years. She was a warm wonderful person. Please accept my deepest sympathies! Debi Schechtman

I have known Lauri for roughly seven years now. Lauri tried my TRX fitness class at the Bay Club in Redwood Shores as a guest and decided to become a member. She was a regular attendee on Tuesday and Thursday mornings at 6 AM as well as Saturdays for a while. She took a little break when she began going into the city to see her new boyfriend about a year ago if I recall. I left the club and began training at MobiusFit last October and Lauri decided to join us. Apparently, she had a few friends at the studio in Redwood City as well. We would have conversations before, or after, class from time to time. Lauri always spoke highly of her two boys, her new job, and of her new boyfriend. Lauri was a wonderful, caring, person that I truly enjoyed being around.
