Ku Pho, you were a very nice and cheerful lady and will always be in my remembering. I remember the time when you taught me singing for the first time. You were a wonderful teacher and mentor. Your perseverance, integrity and people-loving nature were just a few of your qualities that continue to inspire me. May you rest in peace.

May KuPho rest in peace. It seems like yesterday we just had a great time with Kupho. Now Kupho is in heaven. Ku Pho is a caring and helpful person. Always available to listen or offer help. A great woman with great sensitivity and intelligence. Let us take inspiration from her as we move forward. We will miss her. Her smile and kindness will always stay in our hearts. Our thoughts and prayers are with Chong Kung & family.
