My name is Rosemary gutierrez Padilla I just returned From a visit with my UNCLE JESUS pADILLA in San martin HIDALGO and he informed me of the passing of your dad My father Chico Padilla and your dad they were compadres. I believe he was Raymundo Junior god father. My memories of your dad go back along ways, They are lovely memories. Your dad came to visit with our family as a young man, along with his firends. I am very saddened that i was not in town to be with your family. I worked in oAKLAND and many times I rode BART with your dad and we would chat about familia and San Martin Hidalgo. He wae such a gentle soul and a good man. In fact I remember your mom made me a party dress I was in my teens. You all lived on 8th street and we lived on 4th street. About three years ago I ran into your mom and dad in Fremont Target. We talked in the parking lot for about a hour. Unfortunately, we loose track about people we love and get caught up in the hustle and bustle of the American Dream. I lost mom and had no way of contacting your parents about 6 years ago. Your dad was a special in my life and have many fond memories of him. My love and prayers go out to your family.

I am a friend of Raymundo's daughter, Marisa. He must have been a wonderful man because she is a wonderful person. I know Marisa through her work with NAMI. She is dedicated and passionate – and I know that is a by-product of her family and upbringing. I am so sorry for your loss. My prayers are with you.
