Dear Zack, my deepest condolences to you during this time of sorrow. Your mother was an important part of my life, and i feel her loss deeply. I will always remember Terry as honest, beautiful and strong woman. I am one of the lucky ones whose life was touched by this very special woman. I thought you might want to know how much she loved you and how lovingly she spoke of you as her kind and loving son. I join you and others who will miss her, but remain grateful still for having known Terry. Dear Terry, good night Sleep forever, sleep tight Let the sky be your pillow Let the God be your guide. I will wave to you sometimes On the clear sky It is me, your friend Irina Saying Good Bye! From Irina Sinzig

Dear Zach, Hearing the news of your great loss was heart wrenching. I was your moms first friend in California 40 years ago. She returned to Kansas City because you were meant to be here and then the two of if you returned into my families life 9 years later when you were just 2 1/2 years later. Our families became one and shared so many wonderful times ... I watched her paint beautiful scarves and sold men's ties. Watched her open her beautiful men's store in Menlo Park so beautifully named for her Dad Richard. Spent countless birthday pool parties for your birthday at Grant Ave. My kids and you grew up together and we even got our Yorkies about the same time. We were as like sisters, we were sisters !! We had so many THANKSGIVINGS and Christmas parties together and I can see her smiling now. She was so loving and beautiful. I will miss her. I know she will be watching over you always. Love Sherry, Weston and LAUREN

Terry and I were equestrian friends who met in 2012. Terry was so upbeat and seemed to know and love everyone! She was always laughing. I don't think she had a mean bone in her body. This lively, fun, beautiful soul will be very missed. – Robin
