Arthur Kwok-Kiu Wong

FEB 22, 1931 - DEC 22, 2016

Arthur Kwok-Kiu Wong passed away at the age of 85 early morning on December 22, 2016 in San Francisco. He was born in Hong Kong in 1931, and immigrated to San Francisco in 1978. Arthur and Sharon married in 1965, and had four children: Agnes (spouse: James Kwan), Bernard (spouse: Karen Wong, children: Wendy and Megan), Caleb (spouse: Celeste Wong, children: Serene and Christian), and Daniel (spouse: Amy Chung). In his prime, Arthur was an outgoing person. He enjoyed fishing, fleet week, movies, and just being on-the-go all the time. He had heart problems for many years, and recently, cancer. He was always an active and willing participant in his treatment/recovery, and fought each disease every step of the way. We were and still are proud of his courage and strong will to face these life-threatening adversities. Although he's gone now, we will always have him and our mother in our hearts. Thank you to all our family and friends for your kind words and warm wishes.
