Dearest Heidi and Jon, I just received an e-mail from Connie Walker telling me of Nancy's passing. Both Ron and I are so sad to hear this. Somehow we all lost contact through several moves and that has always been such a regret. Some of our most happy and crazy memories were made on Joaquin Drive. Wherever the 3 of us were there was always laughter and fun. Michael still remembers our everyday bridge games. We were always there for each other in good times and bad. Nancy was truly a great friend and I have missed her over the yeas. Our prayers with be with you through this difficult time. We will always keep her memory alive. Love, Jeanne and Ron Egut
