Rosalina Abella Aquino

MAR 31, 1929 - AUG 7, 2016

S aturnino and Jovita Abella was blessed with 2 boys and 1 girl. That girl was Rosalina Abella, our beloved mother whom we loved so dearly. Rosalina was one of the most beautiful women in their province, La Paz, Abra in Luzon Philippines. She had her share of winning local beauty titles during her adolescent years. Rosalina had many suitors including a seminarian by the name of Federico Aquino. Marrying Federico at an early age did not stop her from finishing her studies in Education to become a teacher. Together, they had 8 children whom they raised with good values and morals. Although her better half Dr. Frederick C. Aquino passed away too soon at age 66 (23 years ago), she continued to live her life to the fullest, enjoyed her retirement with her children, grandchildren and great grandchildren. On her birthdays & celebrations, every member of the family gathered around her to always wish her more years. She treasured everyone around her. She was always happy to see them succeed in everything they did. Her enjoyment was going to casinos and play slot machines. It was also her form of “therapy” when she felt aches and pains. Even during her last days in the hospital, having labored breathing and discomfort, she kept a smile on her face. She was one brave woman! In her memory, Rosalina gave her loving best as a mother, wife, grandmother, great grandmother and mother-in-law. She will always remain in our hearts and she will never be forgotten. We will surely miss her.

Mama loved to her picture taken and always thought she liked to be "pabida". It's now making sense to me. She wanted to make sure that we will have more than enough memories to share to everyone your bonding times with the family, starting from your children, grandchildren, great grandchildren, in-laws, relatives and friends. We love you Ma and you will never be forgotten

Here she said months before Sept 2015 that she wished to live long enough to be able to witness her grandson Chris to receive the sacrament of matrimony and it happened on 9/5/2015 @ Mission Dolores Basilica, followed by another site wedding the following week 9/11/16 where all the final works of Chris & MJ wedding occurred at the Palm Event Center. Here she was able to do her giveaway final dance with her "apo". The day before she passed away, she said "I'm so weak, I think I'm dying soon. I won't get to see my "apo" from Chris." And I told her in my denial, yes of course you'll see because heaven isn't ready for you yet. But she's weak and tired and gone to heaven 😞. We'll see each other again sometime . I love you, Ma!

Mama's first time to finally witness a wedding of her grandson that's why she's beaming with joy.
