We started a story, and what a great story! When Karen met Gary Karen and I were roommates, I will never forget when I met him I had to keep looking up when I saw his face and smile I knew then and told Karen this is the one! The next thing I knew I was a maid of honor and felt so honored to be. Karen and I had our kids Gary you will forever be missed! I know you are having a cocktail with mom and dad and Tom!
