Marilyn T. Bustamante

APR 23, 1947 - FEB 16, 2016

Marilyn Bustamante dedicated her business life to the healthcare industry for over 35 years. Not only was she a great professional and a wonderful practitioner, Marilyn was truly a caring and loving friend to her patients and of course, her family and friends. Her energy and enthusiasm were contagious and left an indelible impression on every person she touched. As you may have guessed, her moral compass always resonated to true north and was felt by each interaction. Whether it was her smile, her lovable manner or her caring enthusiasm, each trait will always be remembered as a trademark of her personality and our dear Lady Marilyn. May she rest in peace with OUR LORD. On the personal side, Marilyn lived for her children, her grandkids and all her family and friends. She deeply loved and cared for each family member and shared her heart and soul on a daily basis. Marilyn is that rare individual who serves as a true friend and will always be there for you in a time of need. She was survived by her 3 loving children, Kara, Reny and Ericka. Grandkids – Jared, Kiara, Brian and Jacob.

As we journey through this all too short walk of life, occasionally we meet special people. Marilyn was truly one of those people. Although Diane and I did not have the privilege of spending much time with her, it was easy to see what a kind and loving person she was. How deeply she cared for her family and they for her. We will forever cherish these brief but wonderful moments. Love, Chuck and Diane Thompson
