I used to work with Olivia at Chilli's. She and I always had good laughs together. I'm sorry I didn't stay in better touch with her since I moved and I'm very saddened by her loss. My best to her family and friends. She was an amazing woman and always lit up my day!

I had the pleasure of working with this dedicated and kind woman. We bonded over our love for animals- particularly cats. Even though I knew her for a short amount of time I could tell that she was very sweet and caring. It saddens me deeply that I won't get a chance to continue to get to know her. My prayers are with her family and friends.
