## Lin Yu Huang

OCT 22, 1939 - NOV 8, 2014

**L**in Yu Sho was born on Oct 22, 1939 in Taipei, Taiwan and was the eldest sister to four brothers. She studied hard and often set good examples for her siblings. She graduated from Taipei First Girls High School and was guaranteed a spot in the College of Arts, National Taiwan Normal University. However, she was not able to attend college for some reasons. She married Lin Chin Huang on April 22, 1959 and raised 4 children. Being talented artistically, she encouraged all her children to study well. Jean Hsia, her eldest daughter, received her Master of Music (M.M.) from Notre Dame de Namur University. Tony, her eldest son, received his M.M. from University of Michigan. Shirley, her second daughter, received her Bachelor of Music from Wheaton College. Eddie, her youngest son, received his Bachelor degree in Economics from U.C. Berkeley. Lin Yu immigrated to the U.S. in 1973. Before her immigration, she attended Home of Christ in Taiwan through the introduction of a friend. Her whole family was baptized when she hosted Bishop Kou's gospel tour to the San Francisco region. After baptism, the family attended Golden Gate Christian Reformed Church. As the First Home of Christ formed in the Bay Area, the whole family served in the church. She has led 60 family members to Christ throughout the years. When China opened its door to evangelists in 1980, Lin Yu, her husband and her eldest daughter took frequent mission trips to China. She continued her divinity studies at Home of Christ (基督之家進深學房) and later at Chinese Evangelical Seminary Extension Courses. She and her husband have led more than 100 people to Christ in their evangelical efforts in Taiwan and China. In 1997, the couple formed Foster City Evangelical Fellowship which has served many Chinese immigrants. Lin Yu's life is a story of dedication and servitude- to her family, to God, and to everyone she meets. Even after she was diagnosed with pancreatic cancer in 2013, she evangelized, studied God's word, and had many precious moments with loved ones. Although the doctor declared her cancer free for a few months after Whipple
