Deborah Newman Weinberg lit a candle in honor of David.

Hi Dad, your eldest daughter Deborah, wanted to share a beautiful memory of us catching firefly in jars and building model airplanes, I was only 5 but it seems like yesterday. Sitting on your lap as you showed me how to put the model plant together. I miss you and want you to know, I look forward to our meeting in Heaven.

All 4 of us would have come to your memorial Dad, but she didn't let us know. Not a surprise she never did like us. Love ❤️ you Dad 😊❤️😔
