Hello. I am just learning of Thomas' passing. I saw a memorial gift was given in his honor in the Contact Point magazine from the dental school. Sorry I did not know sooner or I would have sent condolences sooner. He was a great man and a good friend. I knew him in high school and the war and at the University of Utah and in dental school! We roomed together at the U and I was the best man at the wedding. I have many fond memories of Tom. I know you all must miss him greatly. I am still in Santa Barbara. If you are ever in the area please call. Steve Pickering 805-967-8964
