Hi Dad, I can not believe you are gone. Seems like you are on a venture somewhere. Just want to let you know that I miss you very much. Love your daughter, Barbara Jo

Uncle Fred, you will always be with me on the back of my bike when we're in Hollister. When I reach the top of the mountain on High Rd and look out on that horizon, you will be the first shout out. I will never forget your jokes, your sense of humor, and your smile. I love you Uncle Fred and know we will see each other again some day. For now, you will be forever in my heart and as my wings while we ride. xoxo##imported-begin##Cherie Cervantes##imported-end##

I wanted to spend more time with my Uncle Fred, to learn about and know more about him. I know my father loved him dearly. I saw Fred more in my youth than as an adult and one thing that has always been very clear to me is that Fred and my Dad were were both so much like Grampa. Now in Fred's passing, I am learning that he and I had so much in common. The Giants, Fishing, watersports and I bowl in two leaguesw, wow! I love you Fred Mason, you have always been and always will be with me in my heart.##imported-begin##Timothy R. Mason##imported-end##

My heart and prayers go out to Pat, Barb, Bill and Jim, who have been close family friends for many years. To Fred, I'm fighting back the tears just writing this...you have and always will be a huge part of the Featherstone's life. I will cherish those memories from our yearly Shasta trips, Delta trips, Reno trips and all other memories in between. You were always a caring guy that would give the shirt off your back to anyone you cared about, even while you were in the hospital having your treatments and cared enough to call me the day after my surgery to make sure I was ok and tell me you loved me. That I will never forget. I love you Fred and miss you terribly!!###imported-begin##Yvonne Featherstone###imported-end##
