When you apply for a job offline, in the bricks and mortar world, do you have to pay anything? Of course not. It should be the same in the online world. If you are asked to pay any money, at best, it is a business opportunity, but more likely it is just a scam.##imported-begin##Pam##imported-end##

You're so cool! I don't suppose I've read something similar to this before. So nice to get somebody with some authentic ideas on this subject. Really appreciate for starting this up. This fabulous website is a thing that's needed online, somebody after a little bit of originality. Helpful job for bringing a new challenge to your web!##imported-begin##Samsulzaman##imported-end##
