Hi dad, well it's been one month since your departure. I hope you are doing well. I often feel your presence ... Especially when the kids are around. I told Sophia that you were going to be her guardian angel now and she was thrilled. We are missing you terribly dad. I wish I could here your laughter and see that great smile of yours...but I guess I'll just have to wait a while until we are all together again. I know that you know what a special place you have in my heart. Love you dad.##imported-begin##Marcia##imported-end##

Dear Papa,I will always love you and miss our talks we had. You may not realize what an influence and insperation you were for me throughout my life. I can't believe your gone. I wanted to tell you so much before you left. I want you to know that I love you dearly and there will not be a day gone by that I won't miss you and think of you. I can't wait to see you in heaven one day. Go forth and prepare a place for your family old man. I miss your voice and your laughter. I miss your presence in the house. I know you are there with us in spirit. Until I see you again Papa.Love Forever and Always,Your Son, Felix Castillo##imported-begin##Felix Castillo##imported-end##
