Frank was a brother which I never got to know. He was away from home most of the time. After his death I visited the funeral home. The people at the Tender Loving home said he was a perfect gentleman. This made me very proud of him and wished I knew him better. He was very ill at the time of his death and it was a blessing he left us. He will be remembered by all that knew him. He is in a better place now. God bless him. ##imported-begin##charles adamski##imported-end##

Uncle Frank was very lucky to have his good friends in California. Moving away from home when he was so young had to be difficult. He was a very honorable man. I met him the first time when his father passed away (my grandfather). He was very kind to me and reminded me so much of my dad (his brother). Years later when my dad passed away, we went to visit Uncle Frank. I think it made me feel close to my father that had passed. They looked and acted so much alike. We would like to thank Michael Graser for his friendship and respect he showed Uncle Frank these last few years. Also the TLC home and everyone there that gave him comfort. Uncle Frank will be missed. ##imported-begin##Ruthann Tom, & Austin Samaras##imported-end##
