You lost me, friend. I mean, I igiamne I recieve what youre saying. I'm sure what youÃ¢â?~â?¢re saying, however, you just appear to have forgotten that you will find other sorts of folks in the world who view this problem for what it truly is and could perhaps not agree with you. You may well be turning away alot of those who had been lovers of your respective website.##imported-begin##Cindy##imported-end##
