My Dear brother, Not much to say other than I will miss you for the rest of my life. I will think of you and remember you and thank God for the mercy he showed you when he came to end your suffering, by taking you in his arms and carrying you away with him. Always your loving Sister and Sonny##imported-begin##Eleanor##imported-end##

Hello Uncle Tommy, I am glad you are at peace now and have no more pain. I am sure that you have reunited with Nana and Grandpa, please say hello to them for me. I am glad we were able to have our little private conversations before you left us, I sure enjoyed them. Please check in on me from time to time, I would like to see you.
