I know how much Phil was loved by his family and that he really enjoyed his life. His little "Buddy" was always by his side. I will miss hearing about his weekly adventures with Donna. She would pick him up for a drive and picnic at one of the many parks in or around Santa Rosa or they would head for the ocean. He looked forward to those outings and the beauty he found in nature as well as seeing lots of dogs and meeting other dog lovers. He will always be in our hearts.##imported-begin##Helen Moreci##imported-end##

Grandpa Phil will be dearly missed by all that he touch. His sense of humor, quick wit and kind heart enlightened everyone. I will miss his jokes, his warm hugs and his many stories of his life. Especially the ones about his life with animals. He is an will always be in my heart as my Dr. Dolittle Grandfather. With Love and admiration,Aili Ice##imported-begin##Aili Ice##imported-end##
