You will remain in our hearts and thoughts forever. My regret is I didn't get to know or spend time with you. But, your adorable face and cute poses that I have seen when you were with us tells me that you are an angel. I thank the Lord for loaning you to us and for all the joys you have given your mom, dad, kuya, lola and everyone that you touched their heart. Love, Tita Doris Doris Manalastas

To Mikko's loving family- with this tragedy, we can't help but question, "why Mikko, at such an early age, a loving, dutiful son?" that is but natural. The pain will be intense after we have put his body in his eternal place. But, rest in the thought that he is now with the Father Almighty where he's at peace. Let his memory live on in your hearts, that is what will make you stronger as family. I'm Beth, Ricky Vasallo's friend in the Philippines.
