I miss you so much grandpa. I am so blessed with the time I had with you and will never forget the impact you had on my life. I miss your dancing, your humor, our golf trips, seeing you sitting on the bleachers to watch me play sports, going to the base to watch Bruce Lee movies in the theatre, spending the summers with you and grand. I just miss everything. I love you so very much and I can't wait until I can see you again in heaven. Love Haley ❤️
