Amelia Fung

JUL 18, 1948 - APR 23, 2011

Amelia Fung passed away peacefully surrounded by her family on April 23, 2011 in Redwood City, CA after a long battle with cancer. Born on July 18, 1948 to Yun Fan Kan and Yin Yun Lam in Hong Kong, she was 62 years old. As a child, Amelia participated in gymnastics, but found her true passion in playing the piano. She graduated from New Method High School in Hong Kong and later went on to study at both the College of San Mateo and California State University in San Jose. There, she furthered her expertise in piano, graduating with a Bachelor's Degree in music. On December 4, 1972, Amelia married the love of her life, Andrew Fung in San Mateo, CA. On December 25, 1974 the young couple was blessed with the birth of their first child, Gregory Fung. Five and a half years later, they added a daughter, Andrea, and ultimately settled in Belmont, CA. Throughout her life, Amelia had a very active career working in the real estate industry as an agent and mortgage broker, and owned various small businesses throughout the bay area. Among them, she owned and operated a day care center in San Jose, CA. Amelia was a kind and generous woman whose passion for music was always evident. Her best moments were when she was with her family, especially caring for and playing with her three grandchildren. Her other hobbies included playing mah jong with her friends and being a part of the exercise group LTK. Amelia's gentle spirit will be missed by all those she touched. Amelia is survived by her loving husband of 38 years, Andrew; their two children and their spouses, Gregory and Sarah, and Andrea and Mark, of San Mateo; and three young grandchildren, Katie, Emily, and Jackson. Amelia is also survived by her brother Tony Kan and his wife Angela of Foster City, and eleven nieces and nephews, Debbie, Larry, Dorothy, Victor, Lisa; Audrey, Blanche, Carl; Henry and Shirley; and Rosa. In lieu of flowers, the Fung family suggests donations be made to the American Cancer Society in Amelia's name, or the Community Baptist Church of San Mateo. American Cancer Society P.O. Box 22718 Oklahoma

To Andy and family, I was stunned when Jean told me that Amelia had passed away over the weekend. I had known Amelia for years. I was a regular MJ player at her house when Andy and I were co-workers at Fairchild Semi in 19XX (too old to mention the year). She always provided dinner for the bachelors when we left work for MJ at her house. Amelia is still with us and she will always be remembered as the person with whom we shared all the joy and fun. Only her soul has left. She was always the one I didn't dare to bet against at a poker table. I admired her determination and courage to fight the evil, cancer. I know she didn't give up easily but now I hope she can just take a rest. Our deepest sympathies and condolences to you and your family John & Jean##imported-begin##John Tran##imported-end##

Amelia, we are deeply saddened that we lost you. When we first joined the LTK exercise group, you were the first one to approach us and help us. You had been warm, helpful, kind-hearted and considerate to everyone in the group. You also showed us your tremendous inner strength and you were one of the most courageous people we know. Through out your fight with cancer, you maintained a positive attitude. We have never once heard you complained about fate. Your battle is now over. We are glad you are now in a better place. We will miss you dearly during our daily LTK sessions but we know you will be there in spirit watching over us and your family. I think Amelia was a very brave woman in more ways than one. Besides her persistent determination to fight the disease, she still had so much energy in taking care of her family. On top of that, her patience to play poker with whole bunch of forgetful and noisy guy (myself included) should always be appreciated by the poker group. Dear Andrew and familyWe are saddened to have to loose Amelia, our dearest friend. Please accept my condolence. Amelia will always follow us around, day and night. The poker group will take over cleaning up my house (at least for the next few weeks).We know she is in a better place, surrounded by her loved ones that have gone before her. I know John must be welcoming her with open arms and they are a comfort to each other. Amelia did so much for us and for her ever growing family. I am glad she got to see all the grandchildren. The love and attention she gave to them was unsurpassable. Remember always, that our group will be here for each other, in joyous times and sad times. We are only saying goodbye temporarily.Evelyn##imported-begin##Evelyn Ting##imported-end##
