Sandy and Randy, Barbara and Tom, and all of the family: I know you will really miss Florence and my heart is with you all. I am very sorry to hear of her passing, but I know that she is at peace and reunited with your dad. My favorite memory of your mom is when we all came back to your mom's house after a big week-end trip....up to the snow?? And she and your dad had made a big chicken dinner for all of us, and we were a crowd. She acted like it was no big deal, but I thought it was great how she just whipped together a dinner for all of us. She always made me feel welcome at her home and like she was very fond of me. Rest in peace Florence. Love to you all. Marie##imported-begin##Marie##imported-end##

There are so many wonderful memories of Florence through out the years that it would be too hard to list them all. More than anything, I will always remeber how beautiful she always looked. No matter the event, Florence was always at her best. Florence may you rest in peace and take comfort back in the hands of your beloved husband. You will be missed.##imported-begin##Paula, Dustin and Tyana Frisk##imported-end##
