Aunty, thank you for taking care of me and my sister Maribel during our childhood days; this contributed to who I am today. Thank you for sharing your life with Tess and me when we were with you these last months. We would forever treasure the life stories, advices and lessons that you shared with us. Your greatest virtue was courage in the midst of trials and sufferings. We are confident that you found the fulfillment of life that you had been seeking... that of pleasing our God. eternal rest be unto you dear aunty Love, Rico and Tess##imported-begin##Rico and Tess Arguelles##imported-end##
