Phillip D. Delurgio

NOV 24, 1964 - JUN 14, 2010

Phil Delurgio, 45, of Foster City passed away on June 14, 2010 after having surgery to fight brain cancer. He was a devoted father, husband, son, brother, and friend. He enjoyed skiing and traveling with his friends and family. Phil was always willing to help others and liked to keep things light through humor. His positive outlook on life will be missed by many. Phil helped start two analytical marketing software companies; he was a co-founder of M-Factor and part of the founding team at DemandTec. Phil also led numerous software development and marketing strategy consulting engagements with Booz & Co. at many of the largest CPG manufacturers. He received a B.S. in Business Administration from the University of Southern California in 1986, followed by an M.B.A in Marketing and Statistics from the University of Chicago in 1994. Phil is survived by his wife Stephanie; his two sons, Nick and Kevin; his mother, Denise; his father, Phil; stepmother, Esther; and three brothers, Jim, Bob, and Marc. A memorial service will be held at Noon on June, 22, 2010 at First Presbyterian Church, 194 W. 25th Ave. San Mateo, California, followed by interment and a reception celebrating Phil's life at Skylawn Memorial Park. In lieu of flowers donations can be made in Phil's memory to the USC Scholarship Fund or the University of Chicago Graduate School of Business Scholarship Fund.

I remember Phil as a humble and generous person. I did not have the opportunity to interact with him enough but I remember him as very down to earth and approachable human being. He always had a smile on his face which always transmitted peace and good spirit around. In a way that affected my life too in a positive way. I pray that his soul rests in peace and pray that his family gathers the ability to garner courage and perseverance to overcome the loss of Phil's worldly life##imported-begin##Muhammed Mahboob Hussain##imported-end##

My husband Thomas was visiting with Philip about his upcoming surgery at the Sierra Outdoor School Field Trip for the 4th Grade in Sonora May 24th. Tom shared how much he enjoyed visiting with Philip, and how sad he was that Philip passed away. Our family shares your grief at these trying times and forever. We send our love and support for one fine Dad and friend. Thank you for sharing him with us. Sincerely , Allene and Thomas Ball, Grandparents of Arianna and Courtney Ball, classmates of Philip's boys.##imported-begin##Allene Ball##imported-end##

I will always remember Phil for his love and energy toward his wife Stephanie and sons Nicky and Kevin. He loved his family outings even though business pressures demanded much of him. He was a coach, ski instructor, mountain hiker, game player, sporting event guide, party/holiday organizer, chess opponent and premier story teller. Stories told not just weekends, but every night!We could not be prouder of Phil's care for his family, career development and knowledge of the business world. Always kind and considerate of others, his humor and energy will forever be remembered.##imported-begin##Phillip R. Delurgio##imported-end##
