Thinking of Dee always brings a smile to my face and in my heart. What a wonderful person Dee became, as we knew she would. She always brought so much cheer to our little office. Not only with her constant smile, but with her artistic gift as well. A drab manila folder was not drab for long once she put her art on it. She will be greatly missed by so many. Thank you for sharing your smile with us Dee and for always being so positive and brave in your fight. Hamilton, Doreen and family, know that you are in my thoughts and I am holding you close even though I couldn't be there in person. My love and heartfelt condolences,##imported-begin##Michele Flores, H.B.##imported-end##
