Do you think the art of ltteer writing is disappearing? I think it's a sad thing in a way, although I love technology, the speed of it rather ruins things in some ways. Before we got married over 26 years ago now, my wife and I used to exchange tape ltteers, we would send cassette tapes to each other, wrapped in silver foil, so we could hear each other not just read the words. I was living in Cyprus at the time and Alison was back in UK. So a ltteer would take 4-5 days typically to get to either of us. Naturally the tape ltteers stopped as soon as I came back to UK, but we got to know each other quite well via those ltteers' !!Steve##imported-begin##Joshua##imported-end##
