My brother Ed was and is one of the most caring people I have ever met in my life. With a heart of gold on January 26th 2017 this world lost a valued soul. Being only 18 months yonder than I, when we were younger we were close and as the years moved on so did we, but I will always treasure the opportunity I had to be back home and with him in the year+ before he passed. I love you Ed, then now and forever. -Your sis Tairy.
