We will never be able to comprehend your pain in this darkest hour but our family sends our deepest condolences. I've seen Niyal at the local hills with his friends or photographing nature. Seeing his work, he was a true talent and the prince of your family. RIP Niyal. Cebedo Family

I met Niyal very briefly when he came to take photos for my son, Brandon and his Prom date, Hannah the day of Bellarmine College Prep's Junior Prom. I am heartbroken to hear the sad news. Niyal clearly was a fine young man with a very lovable character and bright future. His friends will miss him dearly but he will live on in this part of the world through the friendships he made and the many lives he touched. Niyal's family are in our prayers. May God's loving arms bring you comfort in this very difficult time. RIP Niyal. It was a pleasure meeting you.
