## **Kelvin Wong**

JUL 14, 1934 - MAY 3, 2015

**K**elvin Wong, 80, passed away peacefully on May 3rd, 2015. He is survived by his wife Jenny of 49 years, his sons Hoover and Thomas, daughter Monica; daughters-in-law May and Perm; son-in-law Dale; grandchildren Ethan, Justin, Kyle and Tyler; brothers Colin and Chu Po; sister-in-law Silvana. Kelvin was born in 1934, Hong Kong, China. He was a humble man and lived a modest life. His family immigrated to the San Francisco Bay Area in 1984 while he stayed behind working hard to support his family. Even apart from his family, Kelvin's love and care was never disconnected. It was not uncommon that he wrote heartfelt letters 3 to 4 times a week to his wife and children until he joined them in Foster City. Kelvin was not an expressive person, but his values and integrity had a deep influence on his children. He was a selfless person, a great father, and a caring husband who dedicated his whole life for his family. Kelvin was a man of integrity and wisdom. His life long friends trusted him whole-heartedly. Kelvin was always calm, kind, caring and helpful. He will be missed dearly.

Dearest Monica and Family, I just wanted to say that I really appreciate your father's hospitality and it was wonderful knowing your dad! I have many nice memories of staying in your guest room when I visited and of large family dinners at Asian restaurants in San Mateo. The next time I am in town for a family dinner it may be appropriate to leave one empty chair in his honor, as I'm sure he would like to join us! With deepest sympathy, Wid

In autumn 1969 I was sent to Hong Kong by a Swiss Trading company. Shortly after my arrival I met Kelvin Wong who provided advertising services to our firm. Our first business lunch soon developed into a personal friendship. Kelvin became my mentor, guiding me whenever necessary through the complexities that living in a Chinese culture can entail. Kelvin became my closest and dearest friend, for over 45 years now. Never have I met a more helpful, caring, polite and concerned gentleman. He was an inspiration for many, building a successful business through perseverance and fairness and at the same time being an exemplary family father. Now Kelvin has left us peacefully, with dignity, the way he lead his life. He has achieved the greatest goal in life: Departing without regrets, having established a fine family and having built a large circle of true friends. During our regular visits to San Francisco in recent years, Alice and I have been fortunate to have been able to spend many good days and evenings with Kelvin and Jenny ? and on some very precious occasions with his entire family. Having had the privilege to meet Monica?s, Hoover?s and Thomas? spouses and their children we are confident that they will provide Jenny with the necessary support in this difficult time. Jenny is a strong person, and she needs to be ? it is extremely difficult to lose such a fine companion, such a dear friend, after this many years. Today we offer our deepest sympathy to you, dear Jenny, and to your family. Kelvin will always remain in our hearts and fondest memory. He was such a wonderful, exceptional friend! He has left us physically, but in spirit he will always be with us. Kelvin, our dearest friend: Rest in peace! Alice and Rolf.
