Dear Mr Shanks,I didnt get the chance to thank you personally for all you did for myself and my grandparents, especially after my grandfather passed away. I will always remember the wise words of wisdom you always made time to share with me and I appreciate how much you cared for us. You were more than our neighbor, like a close family friend. I know that you and my grandfather are watching over our families now. I wish I could have thanked you in person for being a good neighbor and a great friend to us, and I will always keep you and your family in my thoughts and prayers.Your neighbor and friendJoe M

My condolences to the Shanks family. I met Art years ago. He was such a dedicated person and changed the lives of so many young people in Oakland and beyond. I visited his project many times since 2000 and learned so much from him. May his memory live on to inspire those whose lives he touched.Supervisor Wilma Chan

I first met Mr. Shanks three years ago when I started my position in philanthropy and visited his site to learn about their work. He was incredibly accommodating and struck me as a genuinely nice man. I last ran into him in early December at a holiday party in Oakland and needless to say, was stunned today by the news of his passing. May the grace of our Lord comfort his family during their bereavement.
