I would like to send my condolences to Alex's family. Alex was a student of mine and was also my lab assistant for 5 years. I really enjoyed my time with Alex because he was easy going, fun to talk to and share work stories and I could always call him to ask what aisle something was located at Home Depot! Along with many students, staff and faculty we will always remember Alex in memory and the many projects he worked on at the college. R.I.P. Alex Sincerely, Peter Lock (Mr. Lock as Alex would say) Professor Automotive Collision Repair
