Our deepest condolences to the bereaved family. Mr. Govind Reddy founded USA Sangam in late 70's with the help of few other members. His vision and dedication has led to what Sangam is in USA today for most Indians from Fiji. Thank you 🙏. R. I.P

With a broke heart I send my deepest condolences. Aunty and Durgesh, I am so very sorry for your loss and I am so sad that I can not be there for you during this difficult time. You guys have always been there for me and I am forever grateful. Above all uncle was a dedicated, loving and proud husband and father. He was committed to giving you both the best of him and I hope that the love you shared and the memories you created will help soften the pain over time. I know that he will always watch over you. Uncle was a kind and generous soul who has always been there for all of us. The love he showed Eric, Roshni and I during childhood visits to California was no different than the way he treated us during adult visits with our own families. His love for family was unwavering and his endless support for everyone in his life was admirable. He left a lasting impression on all the lives he touched, and he touched many, many lives. The world around me feels a little darker without him in it but he will live on in my heart forever. Until we meet again uncle, Rest In Peace.

Our sincere condolences and sympathies to Saroj and Durgesh and to the extended families of brother Govind. Although we could figure out that his life could have been shortened by his illness but we always had faith in his own beliefs that he will win the battle but God did not allow that win but wanted to give him the win by taking away his pain and troubles. Govind was kind, tolerant and a brave father, brother, relative to someone or another. We lost a great soul not only from a close family Our USA Sangam family has also now lost one of its founding fathers. I remember him passing on to me, the National Presidency of USA Sangam with a great pride at the time he was confident that there was a light at the end of the tunnel. His whole family including his mom was so proud of his accomplishments and the way he passed on the leadership to me. My family joins me in keeping Saroj and Durgesh in our prayers so they can get that courage and strength to bear the pain of this irrecoverable loss. There's tons to say about Govind's kindness, family and professional life, his work ethics, public relations and many other aspects of his life but it's no point repeating it because we all know he was a Great Achiever of every good thing in his life. Due to the current situation and travel restrictions etc it's unfortunate I am unable to say final goodbye In person to my hero and close relative But in spirit brother, you are gone but will always be dearly remembered. With a heavy heart I say Goodbye bro and may almighty give you a place where you RIP! Gyaneshwaran Pillai (Gyan) & Angie Seattle WA
