Margaret was my elder sister, my only sibling, so I miss her dearly. I was very glad to be able to visit her every year in the Forum for the last 15 years. My husband and I live in Hong Kong, and had a wonderful last visit with her in 2019. But I was sad that COVID prevented my being with her at the end. I was really glad to see her so wonderfully happy living at the Forum since 2005, among friends, and participating in the bridge and film clubs. I remember her fortitude, her enthusiasm, her sense of humour. A fond smile comes to my face when I think of her, and there can be no better tribute than that. With love, Judith

Margaret will be missed by so many of us. She was the catalyst for so many of our gatherings. Never a birthday or holiday went by without her saying "Who would like to join us to celebrate some minor occasion?" A truly lovely lady!
