# Amy Elizabeth Brucker

NOV 3, 1968 - DEC 16, 2021

**A**my Brucker, 53, passed away peacefully at her home in Redwood City, CA on December 16, 2021, surrounded by family and close friends. Amy was born in St. Paul, MN on November 3, 1968. She graduated from high school in Stillwater, MN. She received a BA in Art and Art History from Gustavus Adolphus College (1991), an MA in Spirituality from Naropa University (2002) and was ordained as an Interfaith minister at the Chaplaincy Institute in Berkeley, CA (2005). Amy was passionate about helping women discover and embody their inspired purpose to live life with greater joy and intention. She was a spiritual counselor, business coach, and taught courses in marketing, spirituality, and dream work. Amy was a creative spirit and talented artist who loved to write, paint, sculpt, drum, sing, and dance. She enjoyed traveling and spending time in nature. Above all, Amy deeply loved spending time with her family and connecting with her close friends. When Amy was diagnosed with metastatic breast cancer in 2018, she was initially told that she may have months to live. Instead of being defined by a prognosis, she chose to remain positive, continuing to live her joyful life, even while powering through multiple rounds of treatment.
