Dear Mommy. You were gone before I arrived at the hospital. I held your hand and kissed your face and begged you not to leave me. You were resting peacefully in the arms of God. I thank you for all the love you gave and the mother/daughter discussions we had.

Mommy I am lonely without you. I cry often, yes more than usual. I love you with all my heart and right now it is split into pieces,

Please watch over me as I venture into this new chapter of my life.

With a grief filled heart I will say "See you later." I love you!

I remember as a young girl, my brothers and I, Alfred and James would visit our grandmother, Ms. Brown who lived down the street from the Roberts family, (across from the Irbys/Stanton families), we would play in the street and Mamie would see us outside playing. Mamie always would speak back as we always said Hi, Ms. Roberts. We gave her the upmost respect. She loved and cared for all of us on Jasmine Way in E. Palo Alto. Mamie was like a second mom to us all on the block. We are saddened to hear that she left us, but she will always forever be in our hearts.Duncan Family, Alfred, Annebelle and James
