Thanksgiving is just around the corner, Noni. I'm cooking up a storm—cheese balls, deviled eggs, roasted Brussels sprouts, almond bread, "potatoes" au gratin, and mashed cauliflower—and I'd give anything to call you up and hear your tidbits on making it Noni-level. ❤️🕒 I miss your warmth, energy, and love that beamed across the country every time I called. My parents will be joining us with turkey and pies in tow. I'm forever grateful for the love you gave so freely and the family you held together.

Happy Birthday, Noni!!! Thinking of and celebrating you. In the heart of every memory, where love forever stays, Lives the warmth and charm of Noni, in her gentle, caring ways. Her laughter like a melody, her smile a beamed, conversation flowed. She filled our lives with sunshine, after all, she was out 'Glo.' On this special day, we remember her, though she's no longer near, Her spirit dances with us, in every cherished tear. Through stories shared and laughter, in every whispered prayer, We feel her effervescent presence, knowing she's still there. She taught us love and kindness, with every gentle touch, Her wisdom wrapped in tenderness, we miss her oh so much. But as we celebrate her life, with hearts both sad and true, We honor all the joy she brought, and all the love we knew. So here's to Noni's birthday, in heaven up above, We send our deepest wishes, wrapped in endless love. Though we miss her dearly, her legacy will stay, In every heart she touched, each and every day.

Missing you - especially at Easter. Love reminiscing about your famous Easter Egg Hunt - filling my basket with candies, eggs, even cup o' noodles. Always left the sardines to braver souls 📖 🌟 🍷

My dear Glo, I've always thought of you as my second Mom when growing up in San Mateo. You were beautiful, funny and took care of Paul, my brother Marty and I when we'd camp out in your back yard during the summers or just hang out at in your kitchen. You and Donn were also my parents best friends and loved to travel together. I believe your greatest accomplishment in life was raising four very smart and great kids. My heart felt sympathy's to Paul, Joyce, Ricky, and JB and all their loved ones who I'm sure will miss you tremendously. When you get to heaven please say Hi to my Mom, Dad and Marty who are all up there together at Skylawn . Mom and Dad are probably hanging out with Donn right now. All my love from the kid from 25th Avenue. Roy.

I have so many wonderful memories of Glo. Starting with my younger years & her making sure we called her GoGo. Parties in her backyard in Sunnyvale & playing on the slip and slide. To the many backyard pool parties on the 4th of July at my family's home. Also the vacations on the "Island". And when I worked at Farrell's Ice Cream Parlor, she would come & watch me and told me when I turned 21 she wanted me to come to work at Pine Brook Inn where she and Ann Peterson were the "Queens" of the lunch shift. Glo introducing me to my first mimosa at her home where she would host brunch for us "girls". Also her many Halloween parties where Edie, Herman and I were the jolly green giant and 2 little elves making sure we didn't get green makeup on her lovely white couch. The list goes on and on. But I'll never forget her energy. beautiful smile & fabulous Italian cooking. Glo you were the life of the party and I'm blessed you were a part of our lives. Forever in Our Hearts- Love, Jo

I was 10 years old when I first met Gloria. There was a huge birthday party at our boat club island. Her stepsons had her cake under the bow of their small runabout. I was to sit in the middle of the front seat and when I stepped in to the boat my foot went right into the center of the cake. Gloria had a heart as big as a lion and she always considered everyone around her to be her friend. We all felt like we were indeed part of her huge family. Her holiday parties were off the charts. We will miss you Glo and will never forget you and the joy you brought to others. Rest In Peace
