I was sad to hear of Susan's passing today when I received a card in the mail. Please accept my late condolences as I just found out today she passed in August. She was my manager at Sears when I worked there through college and she was a lovely lady. I will miss getting the annual Christmas cards we have sent to each other for the last 37 years which started when I moved out of state and left Sears. She was kind and enjoyable to work for and was my favorite manager. She was my friend. Sincerely, Lenae Blevins Germano
