Hi Dann, this is Sean Findley. I am sad to hear of your passing. I know your family probably doesn't have a positive opinion of me, but I appreciate our discussions for so many years ago. I apologize for any stress I might have caused your family. Please keep an eye on all of us from above. I'm sure we will meet again one day.

Megan, my sympathy for your loss. I am (I think) an old friend of your dad's going back to our high school days in Phoenix. Since there was no obituary attached to this notice, just to confirm we are talking about the same Dann Bowley, was he formerly the founder of Sony Pictures Imageworks? You can reply to me at phil@motta.com. Thank you. 🙏
