You were one of the best Jason. I'm grateful for the times we spent together my friend. You brightened my world and I will miss you. Was on the bus today and you popped into my head and I found myself calling your phone. Well... till we meet again in the spirit land. V.

I am so sad Jason passed away. I was his college girlfriend for 5 years. He was the love of my life. I will miss his voice, his laugh and our reminiscing about our time together. I will love him forever.
