Margaret Barbosa was our landlord for 22 years and fondly remember her as a woman that loved caring for her building and did not shy away from sweeping and putting elbow grease into things that needed to be done. But above everything I will remember her conversations with us that showed us that she didn't just see us as tenants but as as people with names and worries that she could understand. Rest in peace Mrs. Barbosa Luis Palacios

I married Margaret's oldest son and she was the grandmother of my 2 boys. She was a fun and loving grandmother. I remember the joy she and Justin had playing hide and seek tag in the apartment halls. She would chase him in his baby walker and they would both laugh and scream with joy. I couldn't tell who had the most fun. Food was another way Margaret showed her love and she really loved us. Justin and Sean loved her Collar Green soup and she loved making it for them as much as they loved eating it. Being with grandma was so much fun especially at the table. Who cooks a 5 lb. steak for a kid? Well Margaret did then she would make them another one. Margaret always told me that I was a good mother to her grandchildren and thank me often. Her words were always encouraging and I was so grateful for them. The example she set of a wife, mother and grandmother influenced me tremendously. Love you Margaret rest in peace. June

Margaret was larger than life and a true role model for her family on how to be successful and independent. She taught her children and grandchildren to be strong independent people. A true inspiration to all who met her! She also cared about helping the younger generation succeed. Everyone is forever grateful to her and will also carry her independence, inspiration, and love in their hearts forever. I will always remember her in her Cadillac pulling up to get a little pampering at the shop! Everyone wanted to sit by her and hear what she had to share. We'll remember Margaret forever! Condolences to the whole family xo Angel and Gary Hession & Family

I have been so blessed from the day I became Margaret's sister-in-law, I married her younger brother Joe ,or Zeca as they nicknamed him.They welcomed us into their home. Margaret showed me love , and acceptance. She was an example of grace and mercy! I'll never be the cook she was , she offered to teach me many times, God knows I tried! However, her example is how I learned by watching her work in her home, and in their business she was a very hard-working woman, and always had a big pot of soup or stew on the stove...always concerned if we were hungry, we ate either way and it was the best! I have great memories of wonderful times with the Barbosa family, thank God they became my family! Rest in Peace, sweet Margarida. Your smile and laughter will be missed. ❤️🕊️❤️
